

5/7/12

Thank you for seeing Debbie on the same day that trauma took place on her lips and teeth.

We appreciate you making the appointment on the same day

for her root canal on the front tooth. We have a lot of confidence in the staff at Aesthetic Dentistry of Palm City.

Gary, Helen,  
and Debbie  
Enjoy!

I will praise the name of God  
with a song,  
and will magnify him  
with thanksgiving.
